

Thessaloniki, October 3rd 2022

Press Release

ATLANTIS Consulting S.A. representing the Business Angels Network "AdrionBAN" as well dynamically made its strong presence and shared its innovative mark, through its participation in BEYOND – EXPO 2022, which was organized for the 2nd year at the premises of Helexpo (Pavilions 13 & 15), from September 29 to October 1, 2022.

Having as its moto "Get Future Ready", this year's international technology and innovation exhibition BEYOND opened its doors to companies from all over the world aiming at presenting innovative products and technologies with over 300 participants from 30 countries where they had the opportunity to conclude important agreements with visitors and exhibitors from all over Greece and abroad.

ATLANTIS Consulting, celebrating its 30 years of presence in the consulting and research sector, has always set as priority the needs of its customers and the development of a relationship of trust in the context of constructive cooperation being right next to every client ensuring the success of their investment plans and development goals.

AdrionBAN network, which was also represented by ATLANTIS Consulting on the context of BEYOND Fair consists of more than 70 Business Angels from Southeastern Europe ready to invest in innovative Startups and SMEs mainly in Greece.

The main goal of AdrionBAN is to create a successful and profitable Business Angels community, with the aim of strengthening new and innovative business ideas, which are characterized by competitive advantages, market opportunities, high-growth scalability and extroversion. AdrionBAN is also addressed to existing companies with innovative and strong competitive characteristics, with an extrovert profile and an expected high growth rate.

Visitors who passed by the pavilion that hosted ATLANTIS Consulting had the opportunity to be informed by its specialized staff about the current national investment programs as well as about the innovative partnerships that the company has concluded through its recent European projects, ScienceDiver, ScienceDiver.Jobs, DiveSafe and Tectonic.

Through the trust of the public as an incentive and the continuous improvement of its services for 30 years, ATLANTIS Consulting will continue to play a leading role on the "next day" having the same vision as each entrepreneur has, aiming at expanding partnerships and finding the optimum investment solutions.
